

This Sunday...

"How Will We Worship"

Colossians 1:24-29; Colossians 3:14-17

Every church has a “style of worship”. What is Laurelwood’s style? Join us this Sunday as we look at Paul’s letter to the Colossians and answer that question, “How Will We Worship?”

Ministry Focus

Commissioning volunteers for Harvest Party and Epicenter events

Join us in prayer this Sunday as we look forward to our Harvest Party this Tuesday October 31 and Epicenter conference next Saturday November 4. We will be commissioning our volunteers and praying for the success of these events. Please pray that many people would

come and that both events would be a blessing to our community and serve to draw people closer to Christ.

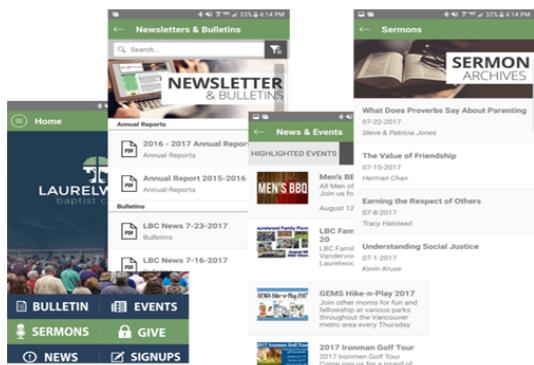

SafePark LBC Update

This week we handed out information sheets to the homes around the Laurlewood neighborhood (copies may be found at the kiosk). During this time we had the opportunity to speak in person with several people and have also been returning phone calls.

As expected we have been met with a variety of responses and many people have expressed support after having their questions answered. However, there are a few that have voiced strong disapproval. We covet your prayers as we continue to move forward, particularly for wisdom as we interact with the neighbors.

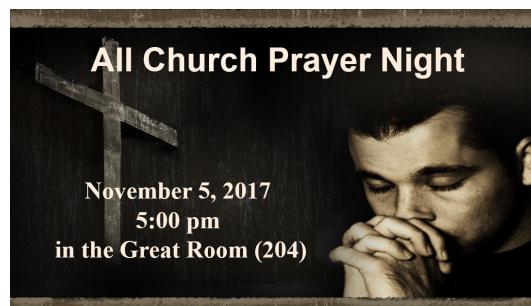

Visit [SafePark](#) for more information on the program. Additionally you can speak with an Elder or Pastoral Staff with any questions or concerns.

BAPTISM

Sunday Service Baptism November 12th

Baptism is first and foremost about growing in your understanding and relationship with God and His church. More than just a physical act, baptism is the opportunity you have for following after Christ and being His disciple as you walk with others who are growing in their relationship with God.

~Pastor Mike Wilde

Let us know that you are ready to take the next steps in the decision to be baptized.

LBC Outreach

China: Pray for Children Barred from Attending Church

Government officials in China's Zhejiang province are currently monitoring churches to ensure that

children aren't attending. In addition, more than 100 area churches received verbal warnings against teenagers attending church services, Sunday school or other church-related activities. Many Christians are standing up for the religious freedom of Chinese youth, but they remain concerned about the future. Pray that Christian children and teens will find new ways to grow in their faith and experience fellowship. Pray that their parents will remain strong in the faith, and pray for the authorities who try to prevent children from learning about Jesus.

Deeper Life Series

God has a desire that you become stronger and spiritually more mature. The Deeper Life Series provides solid Bible exposition through various books of the Bible to move you deeper into the Lord and the LBC Discipleship Process.

These Classes are designed to provide increasing spiritual stability and strength in your life as an adult at LBC. Special attention is given to the verse by verse explanation of what God is teaching within each paragraph of every section of the Bible book. Then these truths are applied specifically and personally to your life situation. Subjects and topics are covered when they are raised by the order of the message found in the book being taught.

Sundays at 9:00 am

Revelation Study | Rm 204 (Great Room) | Sept 3-Dec 17

16 week class taught by John Wecks

The revelation of Jesus Christ shows His glorious power to judge all the evil in God's universe that makes life miserable for all of us today. Explore heaven's worship themes with us. Learn the extent of God's grace to protect His people from the devastating judgments God will pour out on those who shake their fist at God and His Son, Jesus Christ. Gain a clearer understanding of the overall plan of God for our world, the earth, and the universe. Learn what our priorities should be as we live today in our broken world filled with hurting people. Strengthen your confident expectation in what the Lord will do to make everything right, so that you are encouraged to work harder for the King every single day of your life.

Oct 29: Even today, Satan controls the entire world system that opposes God and brings terrorism, war, death and destruction in our world. In climactic opposition to God and His people, Satan's two witnesses are men who will win control over the whole world. This will include a world-wide economic system where no one can buy or sell without the mark of the Lawless One.

Nov 5: In the middle of God's revelation about the severe judgments on the earth, we are reminded that physical terrors are not as important as the reality that every person's soul will be judged by God. By the end of the Tribulation period, every person's destiny will be clear.

Discovery Series

Our Discovery series classes are for you to meet our pastors and leaders, hear what we believe, know our vision for discipleship and discover along the way how God is prompting you to grow in your faith. Pastor Mike's Discovery class is an introduction to our church and what it looks like to be a disciple of Christ. The other classes will unpack each area of discipleship in greater depth. Each class not only shares our faith and vision, but also practical steps for spiritual growth. Classes are offered periodically at the 9am hour as announced in the e-bulletin. While you may not take all the classes at once or in any particular

order, we encourage you to plan on eventually attending them all as a way to get to know your church but also to get a clear vision for your own discipleship journey.
