

Search Team Update June 13th, 2021

Discussion/Agenda Items:

- The team reviewed where we're at with all items we will send to CVNW to begin the Pastoral Placement Process - see below:
 - Church Profile - done (verify with CVNW)
 - Community Profile- in process. ST and LBC Staff have started planning. They are gathering more pictures from others in the church. This will be one of the last profiles to do.
 - Pastoral Profile – waiting for Church questionnaire to be complete (6-28-21). The team can review the questionnaire results and brainstorm.
 - Info Letter – outlined in Search Handbook – will complete when all else is done
 - Search Criteria – outlined in Search Handbook – will complete when all else is done
 - Job Description/Job Posting/Pastoral Compensation Package – Elders completed the initial job description (ST has reviewed this)
- On Wednesday 6/16, the questionnaire will be closed and Staff will have results compiled and sent by 6/18. In two weeks (6/27) we hope to be able to complete the pastoral profile during our team meeting. We also hope to have the community profile completed as well
- We will setup a special method for the team to use to correspond with CVNW and other confidential communications
- Elders have developed a Compensation Package (including salary range) that we can provide to CVNW for the Pastoral Placement Process
- Tracked hours for the team
- No meeting next week (6/20) because of Father's Day

Actions:

1. Add meeting notes from previous meetings to the secure folder

3. Team should get compiled results from the Pastoral Profile Questionnaire (target 6/18)
4. Check with CVNW to verify we have all the information they need to proceed with the Pastoral Placement Process
5. Entire Team - Review The Pastor Prospectus Base Document that Allison, Sana, and Jana are working on and make any updates or notes you feel are necessary.
6. Pray, Pray, Pray for God's leading and wisdom
