

## Search Team update May 26<sup>th</sup>, 2021

- The Team has started creating a pastor profile.
- We discussed this diagram showing major components of a faithful pastor (see below)

- The team decided to ask the congregational to answer a short questionnaire regarding the pastor profile to collect valuable perspectives from the congregations about LBC's specific desires for Pastor Next.
- Emphasized that, even though the Search Team will compile the pastor profile, we need to get good input from not only the elders, but also the congregation.
- We had some discussion about final applicant candidating here on two non-consecutive Sundays if it works out that way.
- Dan and Gibran will host next Sunday morning service, and will provide an update to the congregation. The upcoming questionnaire will be a large part of that update.
- We are all tracking our hours for work on the ST and will keep an on-going total of time spent.
- We talked about the season of prayer that some of us will be hosting throughout this upcoming week, and the logistics associated with that.
- Pray, Pray, Pray for God's leading and wisdom.
